

# 2015 ASRA Championships Invitation

Racers may compete in the Championship events regardless of the number of races entered during the season. However, to win high-value prizes such as skis, racers must have participated in 3 races or Camps on this season's schedule. The previous year's Champs SL and the current year Friday Age Championship GS (Bruce Kapraszewski Northern Cup) are included in the current schedule.

Racers compete for age group medals in the Friday (BKNC) GS and Sunday SL; Saturday's GS is by ability class; Ability class seeding is based upon in-season handicaps.

The Age Championship race on Friday features medals to podium finishers in each age group. The Friday Night Party will be at McGraths Irish Pub in The Inn at Long trail.

On Saturday, Championship medals will be awarded to Top Five in each ability class.

The Saturday Night Awards Dinner will feature music with Dave Moore as DJ, Saturday race award presentations, season points awards, prize drawings for racers, dancing and partying.

Sunday - Annual ASRA Slalom Championship by age groups followed by awards to podium finishers. Point accumulation for next season starts with this race.
