

2016 ASRA Championships Invitation

Racers may compete in Championship events regardless of the number of races entered during the season. However, to win high-value prizes such as skis, helmets, poles, etc, racers must be a current, paid member, and have participated in 3 races or Camps on this season's schedule. The previous year's Championship Slalom and this year's Friday Championship Super-G (see below) count in this season's schedule.

Racers compete for age group medals in the Friday (2-run) SG. Ability group awards will also be won by the top racer in each ability group. Seeding will be age/gender based (same as in-season races).

On Saturday, Championship medals will be awarded in each ability class, with classes based on racer handicaps attained throughout the season. Seeding will be by class, Super Elite through C.

Sunday - Annual ASRA Slalom Championship by age groups followed by awards to podium finishers in each group. *Point accumulation for next season starts with this race.*

All events are scheduled to take place on Gnar Wall; see Feb 12/13/14 results for estimated race times.
