

Racers,

Call your team and mark your calendars for Sunday March 5th because the 2017 Council Cup Race is on at Bear Creek Mountain Resort! Comprised of 2-Women and 4-Men, team registration will start at 7:30am and end at 9:30am sharp. To speed up sign ins please register with NASTAR.com and complete the pre-registration forms on EPSC.org. All racers are required to have a valid lift ticket; those who already possess a season can register at the reduced rate of \$25.

While we encourage all who come out to race, the discounted \$45 day lift ticket is available to all members! Other activities throughout the day to include games for the kids, yoga and raffle prizes. Bonus points for vintage garb (this does not increase your chances of winning* but could help you make new friends, maybe they'll be on your team next year*).

February is going to speed by so get your teams preregistration forms in now! Email completed forms to senioralpine@easternpaskicouncil.org. We are looking for donations for the raffle; if you are willing to donate please contact Jared at the above email! Thank you and we look forward to seeing you on the 5th!

Jared Walck
